Dear Mr. Courtemanche,

During a November 2007 telephone safety inspection with this laboratory's radiation safety officer, Ms. Alice Williams, there was discussion on changes that have to be made to our license. Therefore, I am submitting this letter with the following amendments to license #37-16800-01- Docket No. 03011666. Please remove Mike Henry and Simoan Ray as users of the ECDs and add myself and Alice Williams as users and those responsible. Also replace John R. Paraska as the direct contact person for this laboratory with myself, as I am now the Laboratory Director. Alice Williams will remain our Radiation Safety Officer. If there are any other issues that need to be addressed, please contact me by phone (814-724-6242 Ext. 326) or email (KendallL@modernind.com).

Respectfully Submitted,
